Middlebrook stated that she heard two gunshots as she was heading to class on the 4th floor and returned to the 3rd floor as her math teacher told her to run, which she did and found safety in Mr. Morrow's room. Middlebrook stated that she saw the shooter holding a firearm (unknown type of firearm) in his one hand and believed that it was possible black in color. Middlebrook added that the shooter was wearing a red/black hooded sweatshirt with the hood up on his head. Middlebrook did not hear the shooter say anything, nor did he direct his weapon directly at her. Middlebrook stated that she does not personally know him, but knew who he was and has heard him talking some "crazy stuff", which Middlebrook stated centered on him not believing in God. Middlebrook stated that the shooter and another student got into a fight this week and were both on suspension for three days and the shooter was not suppose to be at the school due to the suspension. Middlebrook stated that she heard indirectly in the last couple days that the shooter was going to shoot anyone who was mean to him. Middlebrook stated the shooter was new to the school (freshman), a loner, not having any friends and dressed in "gothic" attire.

Sir,

On Wednesday, October 10, 2007, while assigned to zone car 323 in the company of P.O. Joyce #1319 we were at the 3rd District on our lunch break when there was a radio broadcast of a school shooting with possible gunshot victims at **CHILD AB/NEG INFO** P.O. Joyce #1319 and I responded to the school. Upon our arrival with P.O. Nichols #2454, P.O. Petkac #522, and Sgt. Burner #9820 we entered through the Lakeside Avenue entrance. We were met by school employees who advised us the shooting was on the 3rd or 4th floor. P.O. Joyce #1319 and I went up the northwestern stairwell. As we went up the stairs we were met by a school security officer and other faculty who advised us the shooter was on the 4th floor. P.O. Joyce and I continued up to the 4th floor where we met with other officers and began searching the 4th floor room by room. While searching the cafeteria area we located a group of ladies hiding in the cooler. The ladies stated that they were okay and were advised to stay in the cooler until the floor was secured at which point we would return to let them out. We finished clearing the 4th floor and returned to let the ladies out but were unable to, due to the cooler being locked. P.O. Joyce #1319 advised a supervisor to request someone with a key to let the ladies out of the cooler. A group of officers, including myself, then went up to the 5th floor to search for additional shooters or victims. We did locate a male teacher and a couple students. After the 5th floor was secure P.O. Joyce #1319, P.O. Messer #2302, P.O. Santiago #1691, and I escorted the teacher and students to the lobby. After escorting the people out, the four of us went down to the basement where we met up with Lt. Gaertner #8130 and P.O. Wyoma #2495. We then proceeded to search the basement. While in the basement we did locate four ladies hiding in an office. We finished searching the basement, then escorted the ladies out of the basement. P.O. Joyce #1319 and I then reported to the lobby where we were reassigned to the 3rd floor to secure the elevator area. We remained at the 3rd floor elevators until the S.W.A.T. team cleared the rest of the building. Once S.W.A.T. was complete we went back down to the lobby where we were told we could leave.

Subject: School Shooting

In response to questions regarding the School Shooting the following are the answers thus far:

1. Where there any weapons found at the home of Asa Coon?
 A. There were no weapons found, only a spent .38/357 shell casing
2. Why did he target these teachers?
 A. Both teachers along with Mrs Clinkscales signed in school suspension slip for Asa Coon dated 10-1-07, this was for cutting class
3. Why would Asa target the art teacher?
 A. Mrs Clinkscales is a science teacher who uses the room where Asa took his life, it is possible that the room has dual uses.
4. What was the shooting pattern?
 A. It appears that Asa Coon went seeking certain teachers to shoot, he first shot Mr Kachadourian while he was inside of his classroom preparing to teach a class, Asa then went to Mr Grassie's room and shot him, It is unclear exactly when Darnell Rodgers or Michael Peek were shot, but they were both somewhere in the fourth floor hallway. They were both shot while running.
5. Are there any pellets recovered from any victims?
 A. David Kachadourian, and Darnell Rodgers sustained thru and thru wounds, CHILD AB/NEG INFO still has a bullet in his abdomen, at this time there are no arrangements to have pellet removed. Attempts to reach Michael Grassie have been unsuccessful, Detectives Beaman and Hasan went to Mr Grassie's residence on 10-17-07 and received no response, Mr Grassie has also not responded to numerous phone calls,
6. Who were the first cars on scene?
 A. Zone cars 319 (Petkac, Nichols), 323 (Joyce, Granzanic) and Supervisor Car 352 (Sgt Burner) arrived simultaneously at 1314 hrs.

All knives, ammo and both firearms were found near the body of Asa Coon. On the surveillance tape Asa Coon was carrying a large black duffel bag with shoulder strap.

The chief wants to know the following in relation to the School Shootings:

1. Are there any pellets recovered from Grassie or any other victims from the School Shootings
2. Who was the 1st zone car on scene and what time did they arrive

On Wednesday October 10, 2007, while assigned to zone car 323 in company with P.O. Greczanik #1644 at 1311hrs. radio broadcast that there was a shooting possibly with people shot at CHILD AB/NEG INFO. Myself along with P.O. Greczanik #1644 responded to the school from the Third District. Upon our arrival we were followed by zone car 319 P.O. Nichols #2454 and P.O. Petkac #522 and Sgt. Burner #9820 as we entered the school we were met by a few faculty members or administration personnel, when asked what was happening and where we, were told that there was a student up on the 3rd or 4th floor and he was shooting. At that point I asked where the stairs were located the person advised us there were three (3) sets of stairs. At that time other officers started to arrive and we divided up and each took different stair cases. Myself and P.O. Greczanik #1644 took the stair case located on the northwest corner of the lobby area. As we went up the stairs on the 3rd floor of the stairs we were met by the school security officer who was talking to a teacher and students trying to exit the 3rd floor. At that point the teacher advised us the shooting suspect was on the 4th floor and that there was a teacher who came down to the 3rd floor from the 4th floor that was shot and also stated that there were a couple of other people shot on the 4th floor. At that time I advised radio to make sure EMS was responding for the injured parties and advised the other officers that most likely the suspect was on the 4th floor. Myself and P.O. Greczanik #1644 continued up to the 4th floor where we met up with other officers and started searching the 4th floor room by room at one point we were in I believe a small cafeteria or kitchen while searching that area the cooler door came open and 3 or 4 ladies were in there hiding I made sure they were all right then I advised them to get back into the cooler until we secure the area and then we would escort them out of the area. After securing the area I attempted to get the females out of the cooler but somehow the cooler locked and we were unable to release the females. At that point we heard that the suspect was possibly found and was shot in the head. At that time I advised a supervisor that there were women locked in the cooler and they got the custodian to release the women. We along with other officers continued searching the 4th floor for possibly more suspects when the 4th floor was clear we responded up to the 5th floor and searched the floor for more suspects. At one point we came across a male teacher and a couple of students. After the area was secure we along with members of zone car 324 P.O. Santiago #1691 and P.O. Messer #2302 escorted the teacher and students to the lobby area via the stairs. After that we responded to the basement of the school along with P.O. Santiago #1691 and P.O. Messer #2302 and were met by Lt. Gaertner 8130 and P.O. Wyoma #2495 and began searching the basement for suspects or victims. During the search we discovered approx. four (4) women hiding in an office after the area was secured the women were escorted out of the basement by P.O. Santiago #1691 and P.O. Messer #2302. After the basement was secured we responded back up to the lobby where we, P.O. Greczanik #1644 and myself were told to go to the 3rd floor and secure the area by the elevator until S.W.A.T. had cleared the building. While we were on the 3rd floor S.W.A.T. showed up and while searching the floor advised us that they had a report that there were still approx. 12 students and teachers hiding in a room on the 3rd floor using a key for the locked rooms S.W.A.T. found the students and teachers hiding in a room off of the media center. S.W.A.T. escorted the students and teachers down to the lobby while we stayed on the 3rd floor until S.W.A.T. cleared the rest of the building. At approx. 1645hrs we were relieved from the 3rd floor and responded to the lobby area and were told we were relieved and could leave.

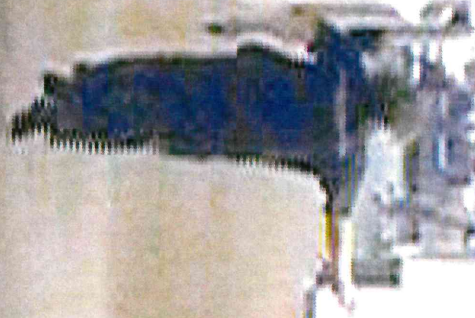

Respectfully,

P.O. Joseph J. Joyce #1319
